Our Difference

As a family-owned and operated service provider, we are involved in the day to day details of our clients' care, from screening, selecting and placing the right care workers to identifying the kind of care you need. Our hands-on approach sets us apart from large companies to whom the client is just a number in a file. We take the time to know you, your goals and what you need to support you reach those goals.

Our Staffing Selection Strategies Include:

All our staff undergo a thorough preferential and behavioural pre-screening for qualification, competence and suitability for the job. Selected candidates undergo further screening for suitability and are reference checked for experience and undergo a criminal and working with children check.

Our Services

As registered NDIS provider, HomeCare Australia provides:
